BLOOM, United States Magistrate Judge:

By letter dated October 12, 2010, the City defendants move the Court to compel plaintiff to provide an executed release for medical records from the Kings County Hospital Center ("KCH") and an unsealing release pursuant to New York Criminal Procedure Law § 160.50 for the underlying police records in this case. The City defendants also request a 30 day extension from the date they receive the executed releases for the City defendants to respond to the amended complaint.

The Court grants in part and denies in part the City defendants' motion. Counsel for the City defendants shall submit to this Court by October 26, 2010 a proposed order for me to sign to unseal the underlying police records in this case. The City defendants shall have 30 days from the date they receive the police records to respond to plaintiff's amended complaint. The City defendants' motion to compel plaintiff to provide an executed release for medical records from KCH is denied without prejudice.

SO ORDERED.
